LG Glance by Mirametrix®

LG's advanced face, eye, and gaze sensing that boosts security and creates intuitive devi

Privacy Guard & Alert

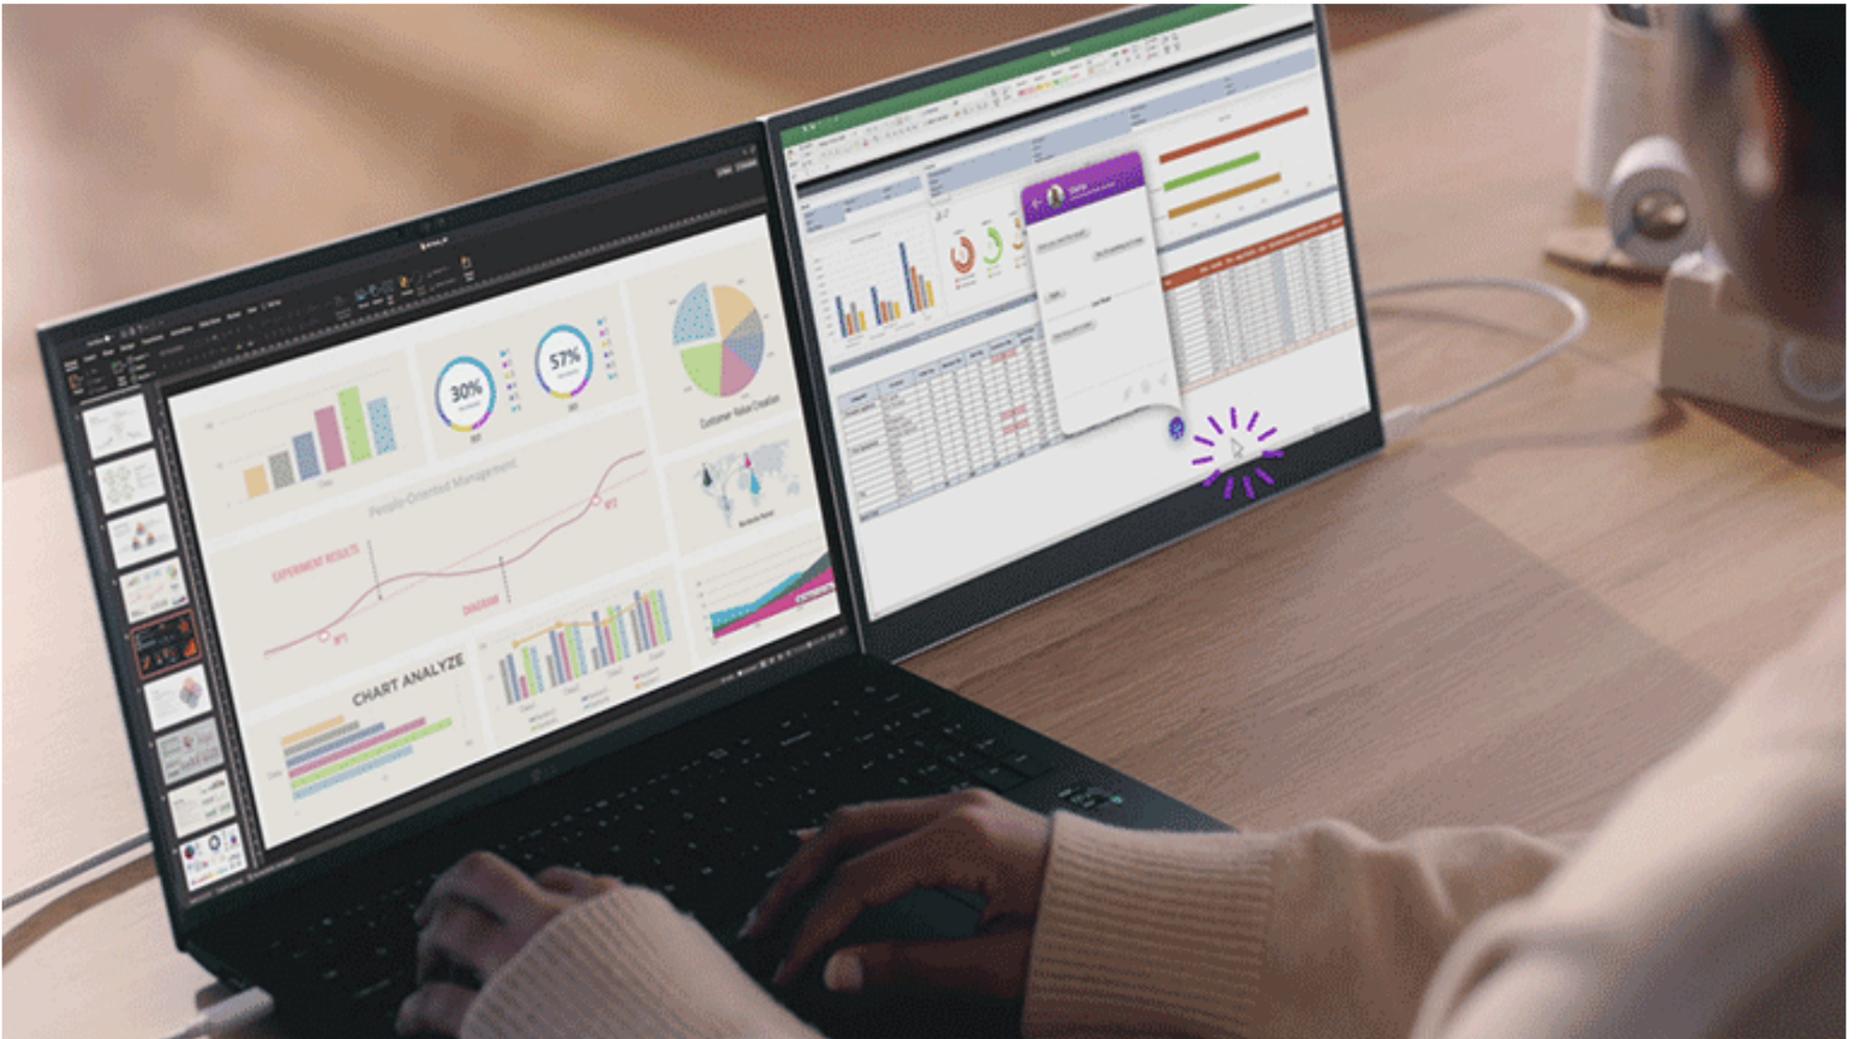

Smart Pointer by AI  
Technology

Dig Wellness

Protect your privacy at all times with:

- Presence Detection: Automatically locks or turns off the screen when you leave your laptop.
- Smart Display: Blurs the screen when you look away.
- Privacy Alert: Shows an onscreen warning if someone looks over your shoulder.
- Privacy Guard: Blurs the screen if someone else is looking at your screen.

## Your Face Controls the Screen

Work conveniently with face and gaze tracking through:

- Snap Window: Efficiently transfers active content to the screen you're working on.
- Smart Pointer: Tracks your gaze and moves the mouse pointer accordingly.

## LG gram Cares

Smart functions that put your well-being first.

- Smart Player: Pauses media in your absence.
- Posture Warning: Detects and alerts you on your bad posture.
- 20-20-20: Alerts you to look 20 feet away for 20 seconds after 20 minutes of continuous working.

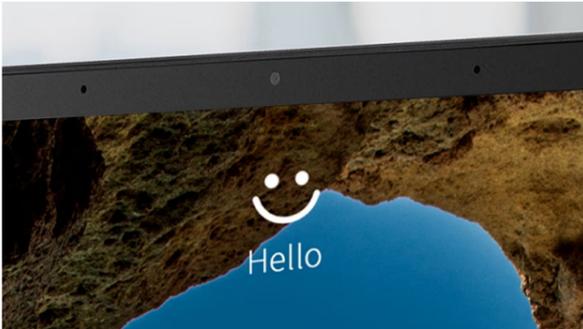

## For Videoconferencing

- Virtual Presenter: Keep audiences engaged when they see you present alongside the presentation.
- Auto Mute: Mutes and unmutes you based on your screen distance.
- Mute Warning: Notifies you if you're talking while muted.
- Virtual Camera: Blurs or replaces the background, adjusts portrait framing (auto-centering), and corrects brightness.

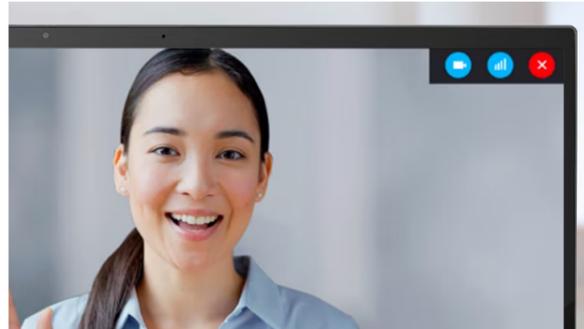

# Comforts of Videoconferencing

Enjoy videoconferencing from anywhere with a HD quality webcam as well as noise-cancelling and facial recognition login features.

## Face-to-Screen

Power-up your device with facial recognition.

## Say "cheese" with the HD IR Webcam

Built-in HD webcam that provides clear video and image quality for your calls and AI reactive software.

## Silence the Noise

Noise-cancelling technology with dual microphones can distinguish between human and background noise to remove ambient sounds allowing you to convey your speech with clarity.

\*The image shows the representative LG gram product for illustrative purposes. Please see the gallery images taken with the actual product.

## Packs the Power

Leave the charger behind with this high-capacity battery that delivers up to 23.5 hours\* of power.

\*Actual battery life will vary from specifications depending on model, setup configuration, applications used, features utilized and power management settings.

\*Video Playback time : Brightness 150 nit, Wireless Off, Player: Movies & TV, Earphone play.
