

PRECISION 3581

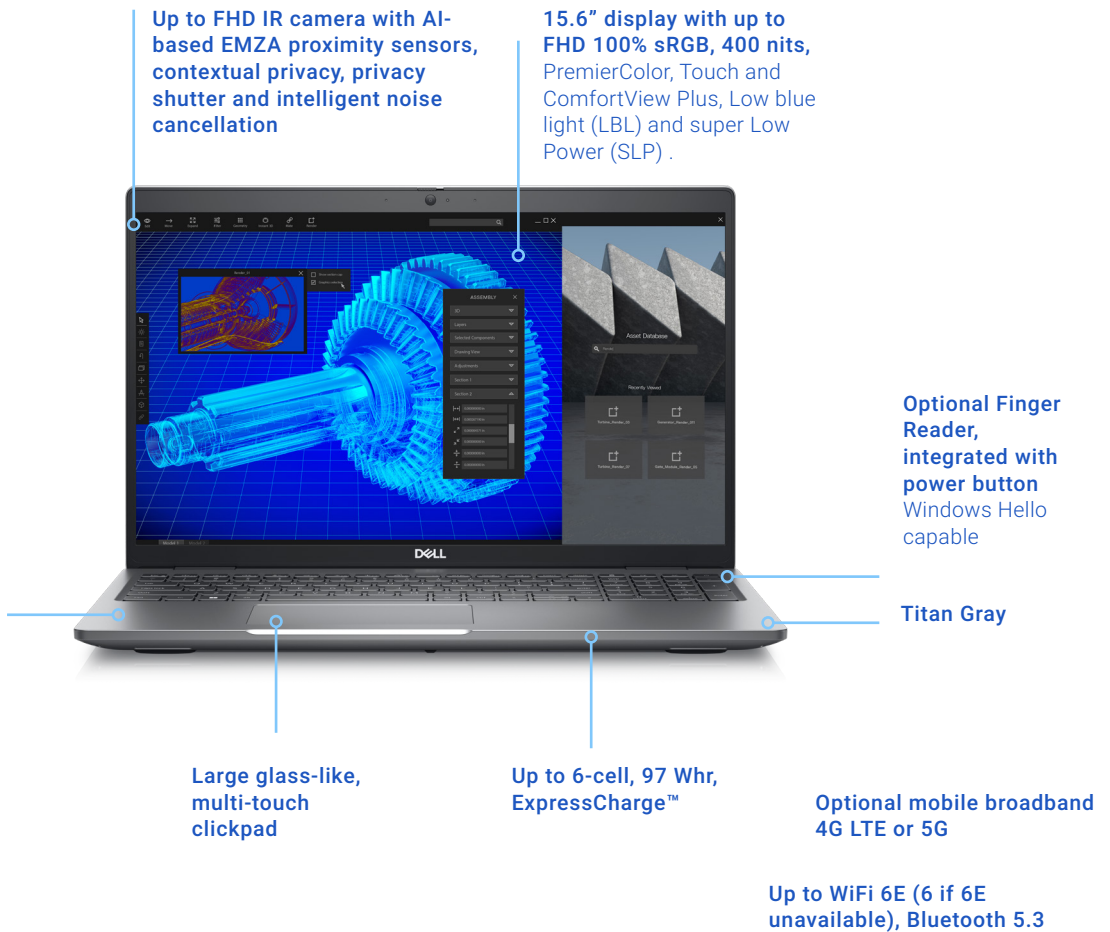

Take your projects
to new heights with
exceptional workstation-
class performance

Take your projects to new heights.

Affordable performance and reliability essential for design, financial analysis and web design.

Intelligent performance
 Latest professional grade components with up to Intel's 13th Gen Core i9, 14 Cores (6P+8E) processor (45W), NVIDIA RTX 2000 Ada Generation graphics (8GB), Gen 4 PCIe M.2 SSD (up to 4TB) storage, and up to 64GB of 4800 MT/s DDR5 memory (dual channel).

Wide variety of ports and input connections:
 (2) Thunderbolt 4 Type C, (2) USB 3.2 Gen 1 (1x power enabled), HDMI 2.0, RJ-45, universal audio port, microSD-card slot, nano-sim slot (for WWAN configurations only), Smart Card (optional), Fingerprint reader (optional) ExpressCharge charges 80% in 1 hour+, charging 35% in 22 min++

Mission critical reliability and Security

Independent Software Vendor (ISV) Certified
 This provides peace of mind knowing that Dell works with many independent software vendors (ISVs) to provide an exceptional, seamless user experience. To Dell, it means hundreds of engineering man-hours and rigorous testing that have been poured into Dell Precision™ workstations to optimize performance and reliability with leading industry applications.
 For a full list of ISV certifications, click here <http://precisionworkstations.com/software-certification-lookup>
 Tested to US military specifications to guarantee durability (MIL-STD tested)
 FIPS certified fingerprint and smartcard readers (optional)
 Intelligent privacy and enhanced contextual privacy through camera

Immersive productivity and design

Exceptional battery life helps keep you productive, while ExpressCharge and ExpressCharge Boost gets you recharged quickly.

Has up to 5G mobile broadband, FirstNet Certified, Wi-Fi 6E (6 if 6E unavailable) and Bluetooth for flexible connectivity options.

Dell Optimizer

We make it intelligent. You make it yours.

Elevate your work experience with the world's most intelligent commercial PC.²

Now with more personalized performance extending from your OptiPlex to the devices within your workspace.

In a work-from-anywhere world, powering the world's most intelligent business PCs* is not enough, Dell Optimizer is extending personalized intelligence to the rest of the Dell ecosystem.

Dell Optimizer lets you accomplish anything with built-in intelligence that learns and adapts to the way you work.

An intelligent ecosystem

Enjoy easy pairing and management of your Dell monitors and accessories with the integration of Dell Display Manager and Dell Peripheral Manager.

Extended power

ExpressCharge analyzes your power usage habits to improve PC battery utilization and extends run times by charging your system faster when you need a boost in power.

Improved app performance

ExpressResponse analyzes how you use your preferred apps to boost performance.

Be heard in the field

In busy, noisy environments, Intelligent Audio delivers sound and mic enhancements and reduces background noise using neural noise cancellation and voice isolation technology.

Simplified manageability

Elevate work experience with an easy-to-manage application that provides a seamless experience for both end-users and IT decision-makers.

Unmatched connectivity

ExpressConnect provides the world's first simultaneous multi-network connection* that joins the best network available and provides faster download speeds.

With Dell Optimizer, optimization and data collection follow a stringent process to ensure your privacy and security.

Mobile Workstation Solution

**UltraSharp 34 Curved Monitor
USB-C Hub - U3423WE**

Large Single Display with USB Hub for increased productivity and reduce home office clutter .

**Dell Pro Wireless Headset
- WL5022**

Work from anywhere with this Bluetooth Teams certified headset that lets you switch seamlessly to your PC or smartphone and enjoy crystal clear audio on the go.

Dell Thunderbolt 4 Dock - WD22TB4

Connect all monitors and peripherals into one device and deliver lightning fast charging with thunderbolt connectivity.

Dell Pro Wireless Keyboard and Mouse - KM5221W

Get productive with a quiet, full-size keyboard and mouse combo with programmable shortcuts and 36 months battery life.

**Dell EcoLoop Pro Briefcase
- CC5623**

Designed for on-the-go productivity and protection, the Dell EcoLoop Pro Briefcase is made of eco-conscious material to complement any lifestyle.

Dell Pro Webcam - WB5023

Professional 2K QHD webcam with outstanding video quality and picture clarity, certified for Microsoft Teams and Zoom.

Sustainability on Dell Precision 3581

Delivering innovative technology and solutions to reduce our environmental impact, for ourselves and our customers.

Sustainable Materials

Our use of sustainable materials helps reduce the environmental impact of making and recycling them.+

**90% recycled plastics in AC adapter exterior, 50% PCR [palm rest, inner frame, bezel, battery frame], 35% PCR [SSD frame], 30% PCR [lid, speaker housing, LCD cover antenna window]

Packaging Innovation

Ships in new enhanced **100% recycled or renewable packaging that is also 100% recyclable.***** Multipack shipping available on eligible products.

Ecolabels

Eco-labeling standards drive sustainability further by helping customers understand electronic products and the companies that make them. This product meets the following standards:

Recycle

Securely and responsibly retire your IT equipment with Dell regardless of brand, in support of a circular economy. Learn more at Dell.com/Recycle

Product Disclosures:

* Castor oil-based material rubber in the feet Tall oil-based bioplastic in the lid Ocean bound plastic in the fan housing Carbon fiber in the lid Recycled copper in AC adapter cable Recycled plastic in lid, AC adapter exterior, palm rest, inner frame, bezel, battery frame, SSD frame, speaker housing, LCD cover antenna window Packaging is made from 100% recycled or renewable content and is 100% recyclable.

** Based on internal analysis, January 2023. Select Precision Mobile Workstations (3480, 3580, 3581).15P-H battery pack housing variants do not contain PCR.

*** Up to 39.5 % recycled content and 60.5 % renewable materials in the form of FSC fibers. Excludes optional items added to order and included in box. Paper packaging materials can be recycled via municipal recycling, where available. System bag is made from recycled plastic and can be recycled along with other thin plastics. See local recycling guidelines.

1. Offering may vary by region. Some items may be available after product introduction. For complete details, refer to the Setup and Specifications published on www.dell.com/support.
2. System Memory and Graphics: Significant system memory may be used to support graphics, depending on system memory size and other factors.
3. 4 GB or Greater System Memory Capability: A 64-bit operating system is required to support 4 GB or more of system memory.
4. Particular versions of Microsoft Windows may not support the full Bluetooth 4.2 functionality.
5. Storage Option: GB means 1 billion bytes and TB equals 1 trillion bytes; actual capacity varies with preloaded material and operating environment and will be less.
6. TPM is available in selected regions.
7. Computrace: Not a Dell offer. Certain conditions apply. For full details, see terms and conditions at www.ijackforlaptops.com.
8. Please refer to <https://www.epeat.net> for specific country registration rating and participation.
9. Limited Hardware Warranty: For copy of Ltd Hardware Warranty, write Dell USA LP, Attn: Warranties, One Dell Way, Round Rock, TX 78682 or see www.dell.com/warranty.
10. Onsite Service after Remote Diagnosis: Remote Diagnosis is determination by online/phone technician of cause of issue; may involve customer access to inside of system and multiple or extended sessions. If issue is covered by Limited Hardware Warranty (www.dell.com/warranty) and not resolved remotely, technician and/or part will be dispatched, usually with business day following completion of Remote Diagnosis. Availability varies. Other conditions apply.
11. Dell Services: Availability and terms of Dell Services vary by region. For more information, visit <https://www.dell.com/servicedescriptions>.
12. For complete listing of declarations and certifications, refer to the Dell Regulatory and Environmental Datasheet found in the Manuals section of Product Support information www.dell.com/support/home/us/en/19.
13. Based on Dell analysis, January 2023. Applies to Precision 3000/5000, Latitude 5000/7000/9000, Inspiron 16 Plus (7630), and Inspiron 14 Plus (7430). Recycled copper is 50% of total copper weight in the power adapter cable.
